

Become a Wish Volunteer!

The Make-A-Wish Foundation® of Sacramento & Northeastern California is currently recruiting **Wish Volunteers** who will work directly with the family and the “wish child,” serving an important role in helping to make the wish come true. A training class is required to become a “Wish Volunteer.”

We are especially looking for people with bilingual skills (especially in Spanish, Russian and Hmong), but all those who are 21 and over are welcome.

Our next training is scheduled at the following location:

Saturday June 6, 2009

9:30 a.m. – 1:30 p.m. (Lunch provided)

Mercy Medical Center – Auditorium A/B

2175 Rosaline Ave (*directions on next page*)

Redding, CA 96001

There is no charge to park in hospital parking lot

Two things are required before you can attend:

- 1) You must complete an orientation. If you have already attended one in our office or online and have sent in the paperwork, that counts. If you haven't done so, you can go online at www.makeawish-sacto.org. Go to “Volunteering” and then to “Orientation.” Scroll down to “online orientation powerpoint”. Follow the instructions and either send in your paperwork or bring it with you to the training.
- 2) RSVP to Gina Goldberg at 888-828-9474 Ext. 222 or via e-mail at ggoldberg@makeawish-sacto.org **by June 2nd.**

We hope to see you there!!!

**Directions to Make-A-Wish Foundation
Wish Volunteer Training
