

Thanks to Macy's, wish kids across
America feel like stars every day.

I wish to be a model

Because of a partnership
between Macy's, the
Make-A-Wish Foundation,
and *Glamour*, Malkia's
wish to be a model for a
day came true.

The Make-A-Wish Foundation®
would like to thank Macy's
employees and customers for
helping to grant the wishes of
children with life-threatening
medical conditions. Since 2003,
Macy's has donated over \$24
million to the Foundation.
